

## **QUALITY POLICY**

ABP is committed to providing superior quality products and services that meet applicable regulatory, statutory, and customer requirements by adhering to a quality management system that benefits our customers, employees and shareholders.

### **We will:**

- Comply with all applicable statutory laws and statutory regulations.
- Follow a concept of continuous improvement and make best use of its management resources in all quality matters.
- Communicate its quality objectives and its performance against these objectives throughout ABP and to interested parties.
- Work closely with our new and existing customers and suppliers to establish the highest quality standards establishing, implementing and controlling procedures for corrective and preventative action to ensure at all times customer requirements are met under controlled environments and product realization procedures are adhered to, protecting the integrity and reputation of the business.
- Adopt a forward-looking view on future business decisions which may have quality impacts.
- Train our staff in the needs and responsibilities of quality management, keeping training records and through continuous measuring, monitoring and analysis, ensure that training needs of all staff are identified and implemented.
